Chapter 1 by Gloreyianne Nevaeh

"come on babe, won't you skinny-dip with me?" Jadyn asked with a smirk on his face as he put his arms around my waist from behind.

I didn't know what to say, I was lucky enough to have Jadyn as my boyfriend, i wasn't considered the "popular girl." since i did spend most of my time reading books and my only real best friend was Alex. Alex was amazing, she was gorgeous, i wouldn't even consider talking to her now if we hadn't known each other since like pre-K. Alex wore designer clothes and if im a book geek then shes technically a fashion geek, she wont be caught with even a single strand of hair hanging out of her ponytail.

"Jadyn this is Liams party and like everyone from school is here, what is they catch us?" I asked him with with a worried look on my face.

"Then Chloe, they'll see how beautiful your body is." he replied while kissing my neck.

I didn't want him to break up with me its a once in a life time chance for a girl like me to get a poplar guy. "okay, b-but turn around, a-and no peeking!" I stuttered.

As i got in the water with Jadyn's back facing the opposite direction of me i noticed him turning around. it was a good thing i was already in the water. He quickly grabs my clothes and hops into a moving truck filled with a bunch of his friends from school.

"Later baby, cant believe you even though you were close to good enough for me." with that he

left me all alone alone in the pond, alone without my clothes, alone NAKED.

I decided that i would just stay hidden in the water. Jadyn was at the party so i could sneak out at without anyone seeing. I was alone since my mom is probably passed out drunk like every other night.

I've decided to accept the fact that Jadyn isn't coming back and going to confess his love and how he was drunk when he said those things, but just when i thought Jadyn wouldn't come back, he did, and oh no, no, he didn't come to apologise, but instead-

snap

He took a picture of me, cant wait to get to get to school tomorrow, this time i could literally die from embarrassment.

I was asleep for what seemed like forever, now i know what sleeping beauty felt, but then suddenly awakened by the sound of foot steps. I stop and stare at the two feet dressed in air Jordan's. I was too afraid to look up at the person so i just kept staring at their feet hoping they would think i was a statue.

"Uhh, why the fk are you in my pool?" The figure asked.

I recognised that voice, it was Liams, Liam was Jadyn's nemesis, they've hated each other since the day Liam leaked a picture of Jadyn as a kid, and trust it was a nasty picture.

"u-ummm I'm so sorry, uh-" as i was trying to explain my reason i was interrupted by his appealing voice.

"Aren't you Jadyn's girl friend, uh i swear i know your name, Cathy, no! uh ya Chloe."

Just hearing jadyns name pissed me off

I sneered annoyed at the sound of his disgusting name. For a moment, I forgot about my predicament and glared up at Liam.

"Girlfriend my ass. He can crash and burn for all I care." I spat this angrily, venom dripping from my words and I really couldn't care at the moment. Jadyn was a jerk and I had no clue why I

thought I had a chance with him. A girl like me doesn't, and never will, belong with a guy like that. Not that I'd want to belong.

I shrank back lightly and sighed, running a tired hand over my face. "Sorry.. long night." He looked away awkwardly and I finally remembered my situation. "He - uh - stole my clothes.." My voice cracked nervously as I turned my back to him, my cheeks hinting red.

The tension grew thick and I could hear Liam cough behind me. "Jadyn's a dick.." A sigh was heard behind me and after a moment, he spoke again. "I'm turning around.. You can use my shirt. It's on the edge."

As I turned around, I saw that he was being honest. His bare, muscular back was turned towards me and a his blue t-shirt sat on the edge of the pool. I awkwardly grabbed it and stepped out of the water slightly, pulling it over me. Our sizes varied a lot considering his shirt ended past my butt.

"Thank you." He just turned around and nodded.
